ABOUT THE BRAND

Lumenx Electrical

Lumenx Electrical Private Limited is a Mumbai-based manufacturer, importer, exporter and distributor serving the electrical trade — one trade partner for capacitors, switchgear, immersion heaters, energy meters and motor starters.

Manufacturer · Importer · Exporter · Distributor

Lumenx covers the full chain, from making and importing to exporting and distributing.

Based in Mumbai

Serving the electrical trade from Marine Lines, Mumbai.

One source

211 products across five product groups from a single supplier, each with a product code for easy ordering.

The portfolio

01 **Capacitors**
Fan, PP motor-run, submersible, PP tag, square box, aluminium, washing machine and starting capacitors — from 1 MFD to 250 MFD.
135 products 3

02 **MCBs & RCCBs**
Circuit protection: Indo Type MCBs in SP, DP, TP and FP from 6 A to 63 A, Tiny / Slim and Modular MCBs, and RCCBs in DP and FP from 32 A to 63 A.
58 products 10

03 **Energy Meters**
LUMENX single-phase electronic energy meters — standard (Sada) counter and LCD display.
2 products 13

04 **Immersion Heaters**
LUMENX electric immersion water heaters, by wattage.
3 products 14

05 **Other Lumenx Products**
DOL motor starters by setting range, and DP / FP isolators from 40 A to 100 A.
13 products 15

Capacitors

01

Fan, PP motor-run, submersible, PP tag, square box, aluminium, washing machine and starting capacitors — from 1 MFD to 250 MFD.
