How to read this catalogue. Each family shows professional Lumenx HD product photos, then every item with its product code and exact product name. Use the product code when ordering. A dash (—) means no code is listed.

For prices and dealer terms, contact LUMENX Sales.

01 Fan Capacitors

Fan motor capacitors in ISI and non-ISI 27 × 52 round bodies, plus square wire and square pin PP formats, from 1 MFD to 5 MFD.

Fan Capacitors · ISI · Round 27 × 52 | Fan Capacitors · Non-ISI · Round 27 × 52 | Fan Capacitors · Square · Wire | PP Capacitors · Square · Pin | 28 items

One source for the electrical trade

Capacitors, switchgear, DOL starters, energy meters and immersion heaters from Lumenx Electrical Private Limited, Mumbai.

Order by product code · For bulk orders or special rates, contact LUMENX Sales · www.lumenx.in

Why Lumenx

One trade partner for capacitors and switchgear.

Manufacturer • Importer • Exporter • Distributor

Lumenx Electrical Private Limited covers the full chain, from making and importing to exporting and distributing.

Based in Mumbai

Serving the electrical trade from Mumbai.

211 products across 11 categories

Fan, PP, aluminium, washing machine and starting capacitors, MCBs, RCCBs, isolators, DOL starters, energy meters and immersion heaters.

One source

Capacitors, switchgear, DOL starters, energy meters and immersion heaters from a single supplier.

Product codes for easy ordering

Every coded item carries its product code, so orders are quick and unambiguous.

The range at a glance
